Re: Minnie)

Gussie)

Proceeded to White House, N. J. and made inquiries and search for family of La Tourette.

Located Mrs. Harriet D. La Tourette, who resides with her son, Peter S. and his wife, on Main St. third house south of Bank.

Interviewed Peter S. La Tourette, who said his people were not of the family connection of late Richard or his sisters, Minnie or Gussie La Tourette, but said he thought they were a relative of Mrs. Albert Page, whose maiden name was Janet La Tourette, who was a daughter of Henry La Tourette, now deceased. Said Mrs. Page resided several miles back in the country where her husband conducts a farm.

He secured an automobile and drove me to the residence of Mrs. Albert Page, who said she is Aunt of late Richard, and his sisters, Minnie and Gussie; that Gussie made her home with her during her young girlhood days following the death of her mother, but that due to an escapade with a neighbor's boy of name Floyd or Lloyd Taylor. She was compelled to send Gussie home to her father. She had not seen or heard from Gussie since 1915.

Has not seen anything of Minnie in 20 years or thereabouts when she heard Minnie was conducting a disorderly house some where in Allentown, N. J.

Says father of Richard, Minnie, Gussie and Frank was George G. La Tourette, a stationery engineer, who died of cerebral hemorrhage at his residence, 944 E. Grand St., Elizabeth, N. J. on Feb. 2nd, 1923. Was buried under direction of Undertaker Gray.

The above is all the information Mrs. Page could furnish me. Could not give me names of any one in position or likely to know anything concerning probable whereabouts of either Minnie or Gussie La Tourette.

The address of Mrs. Albert Page is R. F. D. #1, White House Station, N. J.

Mrs. Page was a sister of late George La Tourette, father of Richard, Minnie, Gussie and Frank.

Respectfully submitted,
Thomas L. Harrison.
